Complainants,

vs.

San Diego Gas and Electric Company, a
California Public Utility,

Defendant.

Case 04-03-025
(Filed March 10, 2004)

INTERIM OPINION EXTENDING STATUTORY DEADLINE

Pub. Util. Code § 1701.2(d) provides that adjudicatory cases shall be resolved within 12 months of initiation unless the Commission makes findings why that deadline cannot be met and issues an order extending the deadline. In this proceeding, the 12-month deadline for resolving this matter is March 9, 2005.

The Administrative Law Judge (ALJ) issued her draft decision on December 14, 2004. Pursuant to Rule 77.7 of the Commission's Rules of Practice and Procedure, defendant filed comments on the draft decision, and two other entities have moved to intervene to file comments. Upon motion by complainants, and for good cause, the date for filing reply comments on the draft decision has been extended until February 1, 2005. This order extending the

statutory deadline may be necessary in order for the Commission to have sufficient time to fully consider the draft decision and the comments.

Therefore, good cause appearing, we extend the deadline for resolving this case by approximately four months, until July 8, 2005.

Under Rule 77.7(f)(4) of the Commission's Rules of Practice and Procedure, the Commission may reduce or waive the period for public review and comment of draft decisions that extend the deadline for resolution of adjudicatory proceedings. Accordingly, pursuant to Rule 77.7(f)(4), the otherwise applicable period for public review and comment is being waived.
